Dear students,

the University of Hohenheim would like to offer you a high teaching quality. Therefore, we need your assistance in the evaluation of your courses.

Thank you very much for your feedback!

1. Preparation, structure, educational objectives and contents

- 1.1 The presentation of the content was very well structured. very much not at all
- 1.2 The presentation of the content was very comprehensible.
- 1.3 The educational objectives were made clear.
- 1.4 The exam requirements were explicitly pointed out clearly.
- 1.5 The organizational coordination between different lecturers was excellent.

1.6 (If there were no overlaps, please leave out.)

If there were overlaps in substance that were **not** helpful, which topics did they regard and in which modules had they already been taught?

2. Surrounding conditions

- 2.1 The technical equipment of the lecture room was very good very bad
- 2.2 Comments on the lecture room (please specify lecture room number):

3. Work load and level of content

- 3.1 Compared to other modules the work load for me was so far much higher much lower
- 3.2 For me the level of content was too high too low

4. Elements of the online-teaching

- 4.1 **Synchronous teaching** was used, i.e. live streaming e.g. via zoom, Adobe Connect. yes no was not offered

4.2 Comments on synchronous teaching

- 4.3 **Asynchronous teaching** was used, that means learning videos or lecture recording (no live streaming). yes no was not offered

4. Elements of the online-teaching [Fortsetzung]

4.4 Comments on asynchronous teaching

- 4.5 The combination of the online elements offered was a useful support for achieving the learning objectives. very much not at all was not offered

5. Overall assessment

- 5.1 How interested are you in the topics of this module? very much not at all

5.2 What was particularly good in this module (also concerning the lecturers)?

- 5.3 Do you have suggestions for improvement (e.g. concerning content, work load, reference to research and practice)?

- 5.4 **My general impression of this module was** very good very bad
