

Universität Hohenheim

Lehrveranstaltung: _____

Fakultät Agrarwissenschaften WS 2023/24

Dozent/in: _____

Kennung: _____

Bitte so markieren: Mark like that. Please use a ballpoint pen or a thin felt-tip pen. This questionnaire will be analyzed electronically.

Korrektur: Correct like that. Please note the hints given on the left side for proper data collection.

Dear students,

the University of Hohenheim would like to offer you a high teaching quality. Therefore, we need your assistance in the evaluation of your courses.

Thank you very much for your feedback!

1. Preparation, structure, educational objectives and content

- 1.1 The presentation of the content was very well structured. very much not at all
- 1.2 The presentation of the content was comprehensible.
- 1.3 The educational objectives were made clear.
- 1.4 The exam requirements were explicitly pointed out.

1.5 *(If there were no overlaps, please leave out.)*

If there were overlaps in substance that were **not** helpful, which topics did they regard and in which courses had they already been taught?

2. Didactical attributes of the lecturer, interaction and activation

The lecturer

- 2.1 ... is prepared very well. very much not at all
- 2.2 ... shows a kind attitude towards the students.
- 2.3 ... can motivate me noticeably for the discussed content.
- 2.4 ... encourages the students to ask questions.
- 2.5 ... can answer questions in a comprehensible manner.
- 2.6 Students are repeatedly given the opportunity to become actively involved in the course.

3. Surrounding conditions

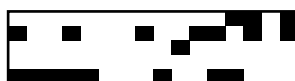

- 3.1 The technical equipment of the lecture room was good. very much not at all
- 3.2 Comments on the lecture room:

4. Work load and level of content

- 4.1 Compared to other modules the work load for me was so far much higher much lower
- 4.2 For me the level of content was too high too low

5. Elements of the online-teaching

- 5.1 **Synchronous teaching** was used, i.e. live streaming e.g. via zoom, Adobe Connect. yes no was not offered
- 5.2 Comments on synchronous teaching

5. Elements of the online-teaching [Fortsetzung]

5.3 **Asynchronous teaching** was used, that means learning videos or lecture recording (no live streaming). yes no was not offered

5.4 Comments on asynchronous teaching

5.5 The combination of the online elements offered was a useful support for achieving the learning objectives. very much not at all was not offered

6. Overall assessment

6.1 How interested are you in the topic of this course? very much not at all

6.2 What was particularly good in this lecture?

6.3 What suggestions for improvement do you have? (e.g. concerning content, workload, reference to research and praxis)

6.4 **My general impression of the course was** very good very bad

7. General information

7.1 I attended the course always rarely

7.2 I am enrolled in the study programme
